PHILIPS
sense and simplicity

Highlights

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

2000 Watt

2000 Watt enables constant high steam output.

Steam boost up to 95 g

Steam boost up to 95 g for the most stubborn creases

Up to 32 g/min of steam

Continuous steam up to 32 g/min for better crease removal.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Anti scale pills

After time calc builds up in your iron. This pill breaks down the calc into small pieces so you can calc clean your iron easily. This cleaning needs to happen once a month.

Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.
